

This is the ONE you don't want to miss!

# Beef Bash ★ 2010

Thursday, September 23, 2010  
10:00 am CT

UK Research & Education Center  
Princeton, Kentucky

<http://ces.ca.uky.edu/beefirm/bash/>

This exciting field day will offer many demonstrations, commercial exhibits, educational exhibits and more. You'll have opportunities for hands on activities and, of course, the chance to visit with other Kentucky beef cattle producers, UK personnel and administration as well as KCA staff and leadership.

Scheduled demos include:

Hay Quality (Sampling, Testing and Feeding), Dead Animal Composting, Fall Pasture Management, By-Product Storage, Beef Production in a Changing World, Current Research, Marketing, Freeze Branding and Animal ID, and Handling Vaccines to name a few!

*We'll see you in September!*
